Dear Sir/Madam,

The Secretariat of ENU International Model United Nations (ENUIMUN) 2019 presents its compliments to you and has the honor to invite you to apply to become a delegate of ENUIMUN 2019 conference.

After the resounding success of the first and second session of ENU International MUN in 2017 and 2018 respectively, ENU MUN CLUB goes on to resume ENU International MUN in 2019 to further promote the accurate simulation of high-quality negotiations based on the real United Nations rules of procedure.

ENUIMUN 2019 is a three-day conference for university students held from 29 to 31 May 2019. We will assiduously select 150 delegates from a multitude of countries to offer them the chance to voice their perspectives concerning issues of international concern at L.N.Gumilyov Eurasian National University in 8 committees:

- Disarmament and International Security Committee
- Social, Humanitarian, and Cultural Committee
- World Health Organization
- United Nations Human Rights Council
- Council of the European Union
- United Nations Office on Drugs and Crime
- Conference on Interaction and Confidence Building Measures in Asia
- Security Council (debate and crisis)

Inspired by the speech of the Secretary-General António Guterres: "Climate change is moving faster than we are. But we don't give up because we know that climate action is the only path. Human rights are being violated in so many places. But we don't give up because we know respect for human rights and human dignity is a basic condition for peace. Conflicts are multiplying - people are suffering. But we don't give up because we know every man, woman and child deserves a life of peace.", the theme of ENUIMUN 2019 is "NEVER GIVE UP" to focus all the agendas of committees on solutions to rebuild hope and step up efforts of the international community in the attempt to secure our shared future.

ENUIMUN 2019 allows students to have the opportunity to become a real diplomat who voices their own perspectives and opinions about pressing matters facing the globe and negotiates with representatives of other countries both formally in committee chambers and informally through lobbying with a view to jointly drafting a mutually acceptable resolution which will be adopted by the committee as a concerted effort of the international community to address matters of grave concern.

By simulating tasks of a diplomat, delegates will have a chance to:

- understand more about diplomatic etiquette and protocol;
- get a comprehensive understanding of real United Nations Rules of procedure;
- enrich your knowledge about international issues;
- grasp thoroughly current situation of countries involved in the negotiated matters;
- know how to compose diplomatic documents;
- hone presentation, debate and negotiation skills;
- improve analytical and critical thinking skills;
- widen social network with foreign students from different countries;
- participate in dynamic and diverse cultural activities.

In order to apply to attend ENUIMUN 2019 as a delegate/delegation, you should fill out the application form through this link: <http://enumunclub.wixsite.com/enuimun/delegate-registration>
